

The Association of Corporate Service Providers Isle of Man

2021 Programme

- **ACSP Toolkit Essentials for Administrators**
This programme is designed for all junior to mid-level administrators who require training on the basics of trust and company administration.
- **ACSP Toolkit Essentials for Senior Staff**
This programme is designed for all senior administrators, managers & directors. It aims to provide training on the more senior aspects of trust and company administration such as trusteeship, directorship, risk management and corporate governance.
- **ACSP All Staff Programme for Professional Development**
This programme is designed for all senior financial services professionals, including managers, directors, compliance officers and senior administrators. It aims to keep members updated with knowledge to ensure they meet their compliance and regulatory obligations within their role.
- **ACSP Response to Market Courses**
This programme is designed for all senior financial services professionals, including managers, directors, compliance officers and senior administrators. It aims to respond dynamically to the local market and member feedback, to keep members updated with topical knowledge and ensure they meet their compliance and regulatory obligations within their role.
